WHAT SHALL BE KAISER'S FINISH?

CRYSTAL OFFERS PRIZE TO ONE
SUGGESTING MOST FITTING
PUNISHMENT.

Now that Kaiserism has been over-
whelmed by the forces of democracy,
the mighty German war machine torn
to bits and, in wild flight, the world-
conquest dream shattered and William
Hohenzollern himself, the ex-Kaiser,
under the allies' surveillance in Hol-
land and who, to all intents, will soon
be delivered into the hands of Foch,
what shall be the Kaiser's finish?

Wilhelm, the mad baby-butterer of
Potsdam, who has the blood of ten
million people staining his soul, at
last before the bar of justice! What
would be a fitting punishment for so
vile a wretch? What is your idea of
the Kaiser's finish?

Let your mind go back through the
awful four years of the Kaiser's crimes,
sit down and write your idea of what
should be the Kaiser's finish and mail it
in the Crystal Theater, which will give
a handsome prize to the one whose
imagination is the most vivid. The
best ones will be published.

HIGH SCHOOL AND BURLESON SCRUBS

THE BEST GAME OF THE SEASON
RESULTING IN A TIE
OF 0 TO 0.

One of the best football games that
the fans have had an opportunity of
seeing was the game yesterday after-
noon by the High school team and
the Burleson scrubs, Fouts' second
team showed some good team work
and put up a good fight against High.

High played a good game owing
to the fact that about half of the first
team was out of the game and their
place had to be filled by scrubs.
Both teams failed to get closer to the
goal than seven yards during the
game, so the game ended 0 to 0.

Finally, a new backfield man on
High showed up good, making some
good gains through the lines and
catching two long passes one for
about twenty yards. Brown, al-
though being up from the Terrell
game last week, was in the game as
usual and the other players on the
High team played a good game. Sev-
eral of the Burleson men stayed and
all the team played a good game.

WANT AMERICA TO HOLD HUN COLONIES

London, Nov. 12.—Commenting on
the question of the disposition of Ger-
many's colonies, the Manchester Guar-
dian says that some of those interest-
ed in colonial questions are asking
whether the time is not coming when
"America will reconsider her attitude
regarding the unpopularity of her ob-
jections in the backward regions of
the earth."

"If the administration of German col-
onies is to be added to the already
enormous burden resting upon the
British empire," the paper says, "this
task, if it is carried alone by us,
or even shared in some measure be-
tween Great Britain and France, may
become altogether too unwieldy. There
is a real need in colonial administration
for the efficient, liberal-minded help
which America could supply."

DALLAS OFFICIALS TO WEAR DRESS SUITS

Dallas, Nov. 12.—For the first time
in many years some of the city offi-
cials will don dress suits and high
hats tomorrow.

It is a fitting day to "dress up," sug-
gested a Dallas business man at the
city hall Tuesday; he urged the mayor
and commissioners to don full dress
suits. They agreed, with the exception
of Commissioner Otto Lang, who is
confined to his home on account of
illness.

A NERVOUS WRECK

From Three Years' Suffering. Says
Cardui Made Her Well.

Texas City, Tex.—In an interesting
statement, Mrs. G. H. Schill, of this town,
says: "For three years I suffered untold
agony with my head. I was unable to
do any of my work."

I just wanted to sleep all the time, for
that was the only ease I could get, when
I was asleep, I became a nervous wreck
just from the awful suffering with my
head.

I was so nervous that the least noise
would make me jump out of my bed. I
had no energy, and was unable to do
anything. My son, a young boy, had to
do all my household duties.

I was not able to do anything until I
took Cardui. I took three bottles in all,
and it surely cured me of those awful
headaches. That has been three years
ago, and I know the cure is permanent,
for I have never had any headache since
taking Cardui.

Nothing relieved me until I took Cardui.
It did wonders for me."

Try Cardui for your troubles—made
from medicinal ingredients recommended
in medical books as being of benefit in
female troubles, and 40 years of use has
proven that the books are right. Begin
taking Cardui today. NC-134
